

## REACH Regulations Statement

REACH Regulations statement Under the definition of the REACH regulations EC1907/2006, Shoal Group is a producer of “articles”. REACH requires article suppliers to inform recipients if an article contains a Substance of Very High Concern (SVHC) in excess of 0.1% by weight.

The Candidate list was updated June 2024 to include 1 new SVHC. The Candidate list now contains 241 substances, the complete list can be found at <https://echa.europa.eu/candidate-list-table>

Based on the material content of certifications provided by Shoal Group’s suppliers, it has been identified that some of the products supplied contain SVHC’s above the threshold, these have been listed in the appendix 1 below.

Shoal Group continues to comply with REACH requirements and notify customers of any change in article content. All information in this declaration is given to the best of our knowledge. Shoal Group relies on the REACH conformity declaration of its suppliers and does not assume liability for the accuracy of their statement.
